ZETTA JET TAKES FLIGHT, SETTING A NEW STANDARD FOR LUXURY PRIVATE TRAVEL

Zetta Jet delivers an in-flight experience without parallel.

Zetta Jet combines the very best in talent, facilities and technology to deliver a revolutionary private flight experience.

Once onboard our state-of-the-art Bombardier Global 6000, guests have access to the fastest in-flight Wi-Fi available, experiencing the softest of rides in a whisper quiet cabin, curated with only the finest of amenities.

From hand-tailored Egyptian cotton linens to a carefully designed wine list from a renowned sommelier, no detail is overlooked.

We whisk you faster towards your destination

We can have you in the air within four hours of booking, sidestepping set schedules and lengthy check-ins. Take calls, handle emails or even head meetings in-flight, saving you time on the ground.

World's first truly personalised private airline

With six strategically positioned offices worldwide, and a growing fleet of the most technologically advanced aircraft in the private aviation industry, Zetta Jet promises to deliver the ultimate in bespoke luxury experiences to an elite ultra-high net-worth clientele.

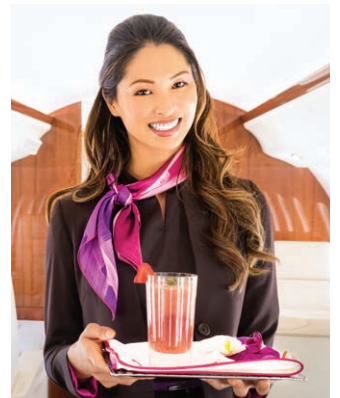

EXPERIENCE LUXURY TRAVEL LIKE NEVER BEFORE WITH ZETTA JET.

IT'S ABOUT TIME.

"Our years of experience have given us an in-depth insight into the needs and desires of the world's travelling elite. We aim to become the number one choice for clients who seek the very highest level in bespoke travel."

Geoffery Cassidy,
Managing Director at Zetta Jet

Pure Indulgence

From start to finish, the Zetta Jet experience is like no other. We have scoured the world to bring you the very finest in luxury amenities, intended to delight you at every turn.

White-glove service

True to its international outlook, the Zetta Jet experience combines the dedicated Asian service philosophy with the flexibility and 'can-do' spirit of the U.S., adorned with the glamour of Europe's enduring chic.

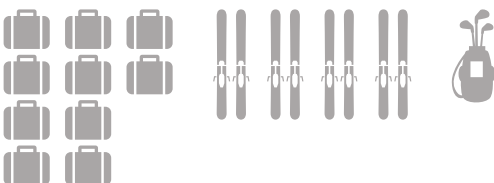

At the core of Zetta Jet's philosophy is the conviction that no desire is too extravagant and no request too difficult.
